

The latest members of the Mile High Club are experiencing fantastic flights, whilst soaring in two seat gliders, over a mile high above some of our most prestigious and world renowned landmarks.

Corfe Castle, Lulworth Cove, Durdle Door and Cerne Giant are just some of the wonderful highlights that can be seen. Glider flight is smooth and serene with outstanding visibility; flying sometimes at cloud base and sometimes between the clouds, before starting the long descent.

Dorset Gliding Club at Bovington, have added the Mile High Flight to their existing range of aerial experiences and regard it as the best on offer anywhere in the South.

Being towed to an altitude of 5,280ft behind the tug aircraft and then released for your epic flight is one of those bucket list items you can at last tick off.

Priced at £250 it makes a wonderful gift to mark an important milestone in the life of someone you know.
